Sir:

Claims 1-3, 5, 6, 8-11, 14, 16-18, 21, 23, 26, 27, 30, 32-41, 45,
49, 51-53 and 58-60 are presented in the present application. All these
claims have been allowed.

In the Amendment After Final filed July 7, 2003, claim 3 was
amended to read as follows:

3. The coating according to claim 1, wherein at least
one of the first and second coating layers comprises at least
one dopant.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Commissioner for Patents, Alexandria, VA 22313-1450 on June 24, 2004 (Date of Deposit and Signature) Diane Krokonko  (Signature)
--

In the subsequently filed amendment filed October 3, 2003, it was indicated that there were no further amendments to claim 3. However, upon review of the amendment and subsequently filed amendment, it appears that the words "layers comprises" were inadvertently transposed. Applicants respectfully submit that the wording of the claim as amended in the July 7, 2003, amendment is correct since all subsequently filed amendments indicate that no further amendment was made to claim 3.

If there are any questions regarding the above, the Examiner is requested to contact applicants' attorney at the telephone number provided below.

Respectfully submitted,
